FORUM GENERAL MEETING **to be held electronically via Zoom**

Wednesday 30 September 2020 - Access will be open from 6:55 pm

Please see below for information for joining the meeting on Zoom.

PLEASE NOTE: The start time is a bit later than planned because Torbay Council is conducting a **Community Conference from 5:00-7:00**. It follows on from last year's Community Conference, held at Parkfield; the report on that conference is available online at <https://www.torbay.gov.uk/media/13597/community-conference-report.pdf>. This year's conference will be held online, via Zoom, and will be run by professionals who are skilled in handling large groups. There will not be a limit on the number of people attending – so everyone is welcome to register and join the meeting. There will be presentations and breakout groups for specific topics. The link for information about the meeting and how to register is: <https://www.torbay.gov.uk/news/pr8157/>.

At 7:00 pm, before our meeting starts, we will have a presentation from **Jim Blackwell, Senior Planning Officer at Torbay Council, about “active travel” and the Local Cycling and Walking Infrastructure Plan (LCWIP)**. For more information, please look at: <https://www.torbay.gov.uk/roads/travel/active-travel/>. Jim will speak for about 15 minutes and will take questions for another 10 to 15 minutes.

The actual meeting will start at 7:30 pm.

As discussed in the August meeting, a dedicated meeting will be held to review what steps we are taking to achieve our objectives, as outlined in section 3.0 of our constitution. People are free to make notes in the online document at <http://bit.do/PNFobjectives> OR <https://docs.google.com/document/d/1o0ruFBZgYwbnlgg8s6A3oQIVoIRAA45S/edit#>. (These links go to the same webpage.)

If you would like to attend that meeting, please let us know by sending an email to info@paigntonneighbourhoodplan.org.uk so that we will know to send the date, time and link to you. If you already receive interim updates and discussions, you will automatically be sent details of the meeting.

There is a further action we would ask you to consider:

Devon CPRE is sure you are aware that the Government is proposing far-reaching changes to the current planning regulations and has 2 consultations currently out for comment. These proposed changes represent a huge reduction in the input of local people to the ongoing development of their local communities and we urge you to engage with this process and submit your comments to these consultations.

Changes to the current planning system consultation: Deadline for the consultation is **1 October 2020**. **>> Click here to respond and comment online**

Planning for the Future consultation: Deadline for the consultation is **29 October 2020**. **>> Click here to respond and comment online**

Devon CPRE Trustee, Phillip Bratby, sets out our thoughts on the consultations. **>> Click here to read <<**

Devon CPRE will be submitting our strong opinions on the very alarming proposals which could pose a massive threat to Devon's countryside and green spaces.

Thank you.

You are invited to a scheduled Zoom meeting.
