FORUM GENERAL MEETING **to be held electronically via Zoom**

Thursday 28 January 2021 - Access will be open from 6:30 pm

Please see below for information for joining the meeting on Zoom.

The actual meeting will start at 7:15 pm.

At 6:45 pm, before our meeting starts, we will have a presentation from David Edmondson about how the planning department is structured and the path of a planning application (large or small) through the system. David will speak for about 15 minutes and will take questions for another 10 to 15 minutes. If you have specific questions, please send them in advance and we will forward them to David so that he can be sure to address them.

David may be late to the meeting, because of a S106 meeting the same evening. If that is the case, we will discuss some of the current events (below) until his arrival.

The actual meeting will start following the speaker's presentation and ensuing Q&A.
